We appreciate your interest in our four month medical missionary training school. Your application has been received and we are looking forward to our next group of students.

With the many and varied doctrinal views now present within the Christian world we like to know how our prospective students view specific issues. The answers to these questions will not influence our decision in accepting you as a student, but will simply inform us of the views of our students. We do however, to avoid confusion and controversy on our campus among our students, request that any who may hold views contrary to M.E.E.T. ministry, not promulgate or teach such views while on our campus to other students, staff or visitors upon this property. So, we simply ask you to honestly answer the below questions and return the questionnaire to M.E.E.T.

Please state your **biblical** position on the following questions. Please use a separate sheet of paper.

1. What is your view on church organization?
